# Welcome to WSEEPE2024

It is a great pleasure for us to invite you all to participate as a speaker, delegate, poster presenter, sponsor and/or as an exhibitor at the World Summit and Expo on Energy and Power Engineering(WSEEPE2024), which will be held in Edinburgh, Scotland during August 19-21, 2024.

The objective of WSEEPE2024 is to provide a unique forum for discussion of the latest developments, refresh your knowledge and will offer plenty of networking opportunities, providing you a chance to meet and interact with leading researchers as well as most influential minds in the field of energy and power engineering.

We believe that worldwide scientists, academicians, government institutions, students, scholars, entrepreneurs in the fields will create huge opportunities by showcasing the growth and breakthrough of energy and power engineering at a time when so many new innovations and challenges are available.

The WSEEPE2024 is a dedicated conference where you will have the opportunity to learn about new developments and share aspects of your own work in the fields of energy and power engineering by sharing poster works or oral presentations. With high efficient and tight communication with outstanding experts worldwide, we hope productive discussions would stimulate creative ideas to translate new discoveries into better practice and application.

Finally, we hope and trust that you will find the conference and your visit to the very beautiful and exciting city of Edinburgh, in August 2024 both valuable and enjoyable!
